## LAMPS Actor – Job Specification

LAMPS are a collective of creative folk that aim to produce fabulous theatre events for the church in the UK. Our actors, are of course, very central to this aim.

*What we'd like to see in a LAMPS actor...*

As an actor, you'll be creative and versatile, able to work in different styles (our Christmas show will need bold, colourful characterisations and feature plenty of comedy, whereas our production of The Passion is highly naturalistic for the most part).

Singing and/or musical skills are an advantage as many of our shows are musicals, but they may not be not essential.

You'll need to be energetic, enthusiastic and hard-working (rehearsals are intensive, and touring can be tiring of course). You will also need to be somewhat flexible as we're a small organisation and everyone will need to muck in when necessary (we don't have a designated stage manager for example and the person running down to the shop for lunchtime sandwiches or mic batteries might sometimes be you!).

A full driving license is also advantageous (but not essential) as driving is shared whilst on tour.

*What we like to see in a LAMPS team member generally...*

We are looking for folk that have a real heart for the work we do and for people generally. We try hard to be a blessing on those we meet and would want you to actively enjoy the many opportunities afforded by touring to encourage and support individuals, their churches and their communities.

*What's in it for you?*

You'll be actively involved in a lively and stimulating creative environment committed to high standards of work. You'll be working within a genuinely loving, supportive team; your contributions and ideas will be encouraged and appreciated and may well have a great deal of fun into the bargain!

You'll be paid a set fee per show, currently £100 plus expenses and you will be hosted (very generously in our experience) by members of the churches and communities we visit whilst on tour.

At present, there is no payment for rehearsal periods other than expenses, but you will be accommodated for free by our lovely LAMPS family members during this period.

If you would like to attend the audition, then please just let us know and we will send you information about what will happen on the day and how we would like you to prepare. If you have any further queries or questions about any of this, then please do feel free to get in touch. You can email [auditions@lampscollective.com](mailto:auditions@lampscollective.com) or call Sam Pullen- Campbell on 07443 330240.
